SAFETY BEGINS AT HOME

Steps to keep in mind while using LPG

FOR LPG APPLIANCES

- Always use BIS-approved appliances from authentic sources
- Obtain BIS-approved LPG regulators and Suraksha rubber tubes from authorised LPG distributors only

WHILE RECEIVING CYLINDER

- Check that the cylinder has the company seal and safety cap intact
- If you are not sure about safe use of LPG, ask the delivery person for a demonstration

SERVICING

- Always keep rubber tube uncovered and visible
- Check rubber tube regularly for cracks; change rubber tube at least once in two years

SERVICING

- Get your gas appliances serviced periodically
- Self-repair is unsafe. Call distributor's mechanic.
